About us

Who we are

Our tap and shower collections are proudly made in Italy for stunning high quality and beautiful design. We offer numerous design and installation options to suit your personal style and to give you bathroom design flexibility. Modern, contemporary or transversal bathroom styling can be enhanced with the right brassware and shower solutions.

Taps are available in a range of finishes including on trend Matt Black, PVD Brushed Brass, Inox or Chrome. For a unique and ultra-stylish look, the Brushed Brass finish is one that will instantly elevate any bathroom setting. For the total look, matching accessories are available for many of the collections.

Shower solutions vary from basic showerheads and slide rail kits to luxurious chromotherapy heads with multiple water settings. Check out our Innovation Wave Shower Jets which can massage tired muscles.

Our exclusive Versobox Thermostatic shower mixers will enable you to tailor your showering further by ensuring maximum performance and minimum design, all in solid brass.

EmporioBagno is proud of its curated brassware products, selected for their sophisticated Italian design and high-quality Italian manufacturing.

What we do

Bathroom taps and accessories

Taps and accessories are made in solid brass. Ceramic disk, thermostatic and push-button valves, are all compliant with European and international standards including WRAS & KIWA. Finishes are available in Chrome, Inox, Matt Black and PVD Brushed Brass.

Showers

Our Versobox system gives you maximum performance and minimal design with only a 70mm wide finish set. With our high flow rates, we can ensure you get maximum enjoyment in showering or filling a bath.

Showerheads

Built-in and wall-mounted showerheads with rain, waterfall, mist jets. We have a number of products available with chromotherapy modes to relax or invigorate your experience.

Where we produce

100% Made in Italy

EmporioBagno products are entirely made in Italy, within the Lake Orta District, where some of the world's best specialists worldwide in brassware production can be found.

We handpick our suppliers based on their specialised areas within manufacturing of taps, mixers, shower valves and shower fittings. They offer us the best ideas, raw materials and manufacturing processes.

Made in Italy means you receive quality, innovation and design!

High Flow Thermostatic Mixers

VersoBox

- 0.2 Bar Min Pressure
- Up to 39.6 L/M Flow Rates
- Solid Brass Valve
- Min 70mm Install Depth

- Solid Brass Valve
- Min 70mm Install Depth
- Watertight Installation Box
- Integrated Tile Guide
- 70mm Slimline Brass Trimsets

Water Saving

EmporioBagno EcoAir showers offer the pleasure of an air infused water experience with the bonus of reduced water consumption.

EcoAir options are available for showerheads and hand showers.

The Science Bit

Every EmporioBagno EcoAir product has a water inlet and an air intake. As the water passes through a restricted inlet, water pressure increases which in turn sucks the air up through the air intake. This is known as the Venturi effect. Water and air pass into a low pressure mixing chamber where the increased water pressure sucks air into its flow.

Water Saving

The reduced water flow as a result of the Venturi effect, means that you can benefit from up to a 50% reduction in your water consumption.

Water Indulgence

The air infused water creates a soft invigorating rain for everyday showering that takes on a level of indulgent luxury.

Showers to Stimulate

Try a dual or triple flow shower with multiple water settings for a showering experience that meets your needs.

Feel free to customise your showering experience - enjoy an invigorating rain, cocoon yourself in a cosy mist or soothe away the cares of the day under a cascade!

Water Indulgence

Indulge further with a chromotherapy shower head which uses light and colour to promote mental, emotional and physical wellbeing – see p.161 for colour benefits. Colours can be selected at the touch of a button as all chromotherapy showers have a handy remote control.

Low Pressure, High Performance

These high performance showerheads offer 17 litres per minute at 0.5 bar water pressure!

Vista NC44021 200mm ABS Shower Head (p.178)

Casella NC44015 200mm ABS Shower Head (p.180)

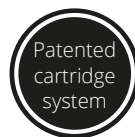

Showers Alla Moda!

EmporioBagno showers are designed to look and feel luxurious.

Designed and made in Italy, showers range from specialised ABS chrome showerheads to statement mirrored steel options mounted flush to ceiling. Shower options take you from everyday simplicity to showering chic.

Showerheads and hand showers are available in a wide range of shapes and styles to create your perfect designer bathroom. Look for matching items to achieve a coordinated look.

BRASSWARE

All EmporioBagno tap collections have a

5 YEAR GUARANTEE

THERMOSTATIC MIXERS

Thermostatic Mixers have a

5 YEAR GUARANTEE

However, the guarantee does not cover thermostatic or diverting cartridges as the functionality depends on the water conditions and the periodical maintenance and cleaning recommended.

SHOWERS

Showers have a

5 YEAR GUARANTEE

Electrical components for showers have a

2 YEAR GUARANTEE

The products in this brochure are chosen for their stylish design and high quality. Products can be bought with confidence, guaranteed free from defective manufacturing.

If you have a problem with any of the EmporioBagno products in this brochure, please see the approved retailer you purchased the products from for assistance. Your EmporioBagno retailer will be happy to assist you and will work with EmporioBagno to resolve your issue.

Where there is no straight forward resolution, the guarantee above applies so that you can have peace of mind.

EmporioBagno products are only covered by this guarantee when purchased from an approved EmporioBagno retailer, they are installed for private domestic purposes in the UK and they have not been modified in any way.

It is important that EmporioBagno products are maintained in accordance with any special instructions provided and are otherwise cleaned carefully with suitable cleaning products. The guarantee covers products in normal domestic use and does not cover damage, neglect, misuse or inappropriate cleaning.

Please note that the guarantee is offered to the original purchaser. The guarantee is in addition to and does not affect your statutory rights.

To allow the continual development of the ranges, EmporioBagno reserves the right to change the colour, designs and specifications of the products in this brochure without notice.
