revela tiles 868 ubeda 65 x 37,5cm

# 100% waterproof wall panels,

— without worries!

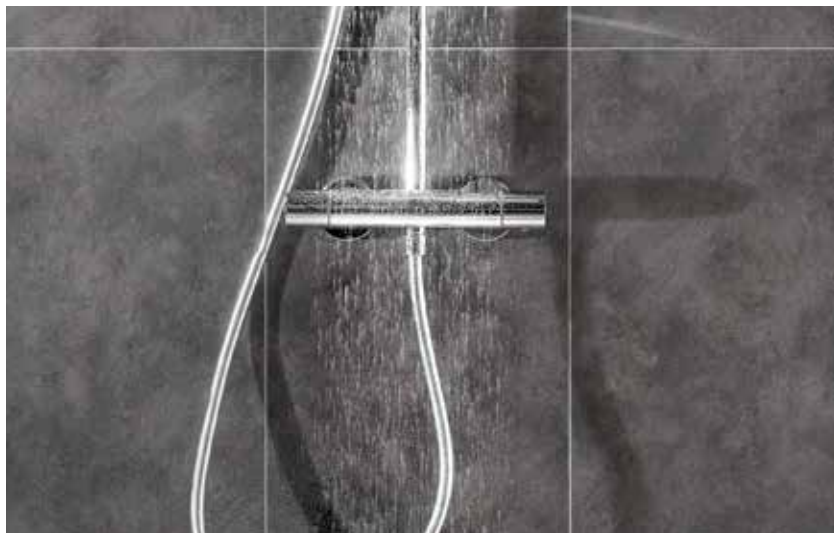

A fresh look for your project?  
It is possible, without removing  
existing tiles. With Masq Revela wall  
panels you can reveal the potential  
of every room with exceptional  
finesse and a high level finish.

waterproof wall panels

# can even be installed in the shower,

Due to the unique combination of PVC, with a high-quality top coat and tongue and groove , Revela wall panels are 100 % waterproof and water resistant when correctly installed in accordance with the installation instructions. Revela wall panels resist wet environments, are low maintenance and retain their look and feel in the long term.

# revela<sup>PREMIUM</sup> lifelike thanks to digital print.

The realistic designs of the Revela PREMIUM collection are obtained through the use of a unique digital printing technology. True-to-nature structures are applied to the wall panels in high resolution. The marble, concrete or wood pattern can therefore hardly be distinguished from the real materials.

— nothing but  
advantages!

The panels are UV and water-resistant thanks to their unique PVC composition and are extremely easy to install, lasting a lifetime.

If after a period of time you wish to create a different interior, the panels can be fully recycled, a sustainable choice on every level.

# suitable for renovation & new builds,

Masq Revela is a waterproof tongue and groove wall cladding that is suited for both new builds and renovations. No hassle with cement adhesives or grinders, the Masq tiles can be pasted on to the existing tile wall or affixed using hidden nails or staples.
