

The top half of the image features a background of marbled paper with swirling patterns of white, grey, and brown. The word "DRENCH" is centered in a large, bold, black, sans-serif font.

DRENCH

The Blending Experience

@drenchshowers

DRENCH is more than just a bathroom brand.
We're a design studio, a colour lab, and a texture atelier — made in the UK,
with the precision of bespoke manufacturing at its heart.

This little guide wasn't in the plan — but these finishes were just too good to keep waiting. While our official catalogue catches up, consider this your temporary passport to every new shade, tone, and tactile delight we now offer.

**Inside you'll find a selection of colours, metals, and glass.
All available now. All ready to elevate your space.**

***A curated guide to DRENCH's signature finishes,
crafted to blend beauty and individuality in
every space.***

Welcome to *The Blending Experience*

Most of us don't realise how lucky we are to live in such a vibrant, textured world — until we're asked to pick a finish.

Bathroom design today is full of possibility: dozens of materials, textures, and colours to choose from. But here's the truth — achieving a perfect match across surfaces is nearly impossible. And honestly? That's okay.

At DRENCH, we believe in blending, not matching. Blending is about harmony. It's about creating a moodboard, a story, a feeling — not chasing a colour code. It invites freedom — and makes design more fun.

With our in-house powder coating plant, we've crafted curated colour palettes and seasonal edits that reflect what's timeless, what's trending, and what's truly individual.

Each collection tells a story — inspired by nature, heritage, and craft — ready to blend into yours.

Blend, Create, Elevate.

04

*Enter our world of colours and finishes
and make your bathroom
a canvas of creativity*

About our Metalwork

Crafted to Last. Designed to Blend

At DRENCH, we use **Architectural Powder Coating** — the same high-spec finish trusted in exterior architecture — to bring rich, tactile colour to our metalwork. It's tough, elegant, and made to endure even the busiest bathrooms.

The Blending Experience adds new depth with finishes like Earth Tones, featuring ultra-matte, finely textured surfaces, and our hand-applied Antique finishes, each with a unique, timeworn patina.

For our brushed and lustrous finishes, we use **anodised aluminium**, a specialist process that forms a protective oxide layer while enhancing colour and texture. From the soft gleam of Brushed Brass to the moody richness of Gun Metal, our metal finishes are made to blend, not match — offering freedom, creativity, and a more personal expression of design.

Classic

Timeless tones. Enduring appeal.

The Classic collection is a curated selection of our most enduring and versatile colours — shades that have stood the test of time in interiors, architecture, and design. These tones form the foundation of DRENCH's aesthetic: confident, balanced, and quietly powerful. Whether deep and moody or soft and neutral, each colour is designed to complement a wide range of materials, styles, and textures.

***A core palette of essential colours —
easy to pair, always in style, and ideal for
both standalone use or as a neutral base.***

Matt Black

(BK)

RAL 9005

The hallmark of our bold design. Our statement of power, control, and modern sophistication. Elegant and timeless.

Graphite Grey

(GG)

RAL 7024

An industrial grey with blue undertones — often known as anthracite. Solid, stable, and endlessly versatile.

Blanc

(BL)

RAL 9002

A soft off-white that offers peace, calm, and clarity. A symbol of purity and subtle sophistication.

Total White

(TT)

RAL9003

Pure white at its most radiant. Reflective, clean, and expansive — ideal for creating light and space.

Forest

(FO)

RAL 6009

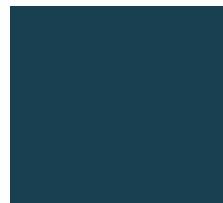

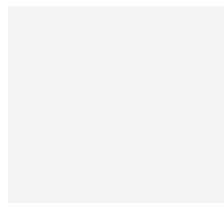

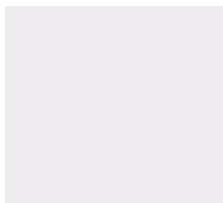

A rich, deep green drawn from woodland canopies. Evokes balance, grounding, and natural depth.

Grey Navy

(GN)

RAL 5008

A deep midnight blue with subtle grey influence. Represents intuition, sincerity, and quiet confidence.

The background image shows a modern bathroom. On the right, a white clawfoot bathtub with a yellow body is partially visible. To the left, a glass shower door with a bright yellow frame stands on a floor with a complex geometric tile pattern in shades of grey, black, and white. The wall behind the shower is covered in white subway tiles.

08

Pastel

Soft Shades, Bold expression.

The Pastel collection is a playful yet refined palette of gently saturated tones — each one chosen to add character, warmth, and a touch of nostalgia to your space. These colours strike a delicate balance between softness and presence, offering designers the ability to inject personality without overpowering a scheme. Uplifting, calming, or subtly daring — these hues invite creativity.

***Fresh tones for distinctive showers —
bold enough to stand out,
refined enough to blend.***

Rioja Red
(RR)

RAL 3005

A deep, wine-inspired red with vintage charm and quiet strength. Ideal for creating a rich focal point with understated drama.

Turquoise
(TQ)

RAL 6034

Calm and serene. A colour for emotional balance and mental clarity — refreshing, yet grounded.

Burnt Orange
(BO)

RAL 3022

A warm and energising shade with a contemporary twist. Bold enough to stand out, soft enough to stay timeless.

Lemon Yellow
(LY)

RAL 1012

Bright, optimistic, and full of personality. A sunshine shade that adds joy, light, and creative energy.

Pale Pink
(PP)

RAL 3015

Tender and intuitive, this gentle pink evokes softness, sensitivity, and an elegant sense of calm.

Capri Blue
(CB)

RAL 5019

A Mediterranean-inspired blue that brings freshness and tranquility — perfect for serene, light-filled spaces.

10

Earth Tones

A Palette rooted in Nature

Inspired by the raw beauty of the natural world, the Earth Tones palette is a harmonious selection of soft, muted shades that bring warmth and balance to any space. Each color is derived from organic elements - earth, sand, stone, water, and foliage - creating a grounded yet sophisticated aesthetic.

Alabaster

(AL)

RAL 9001

A soft, creamy off white with a subtle warmth, reminiscent of natural limestone and sun-bleached shells.

Silk

(SK)

RAL 7044

A warm, beige-infused neutral with a delicate shimmer, evoking smooth, woven fabrics and the softness of polished river stones.

Sand

(SN)

RAL 1001

A refined sandy beige, bridging the warmth of sunlit dunes and the cool neutrality of weathered stone.

Peach

(PC)

RAL 3012

A muted terracotta with earthy depth, inspired by sun-baked ceramics and ancient earthenware.

Concrete

(CN)

RAL 7033

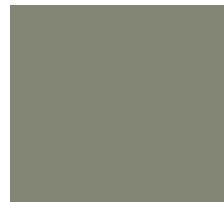

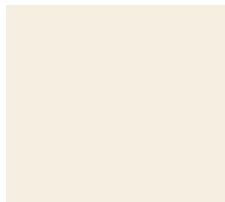

A soft, mineral-toned grey with a green undertone, capturing the essence of urban stonework and natural rock formations.

Chartwell

(CW)

RAL 6021

A muted, botanical green that reflects the tranquil beauty of garden landscapes and wild foliage.

12

Drawing from the rich colors found in historical architecture, classic interiors, and heritage craftsmanship, this palette is designed for those who appreciate depth, sophistication, and timeless appeal. The Herit-age Tones selection embodies a sense of tradition, reinterpreted for the modern era.

Heritage

A Palette of Timeless Elegance

Oyster (OW)

RAL 1013

A warm, aged white with a subtle patina, evoking the soft tones of antique plaster and historic stonework

Blue Grey (BG)

RAL 7031

A deep, muted blue-grey with smoky undertones, reminiscent of weathered wood and stately manor interiors.

Mustard (MU)

RAL 1024

A rich, golden ochre with depth and warmth, inspired by historic textiles and aged paint finishes.

Moss (MO)

RAL 7003

A classic, softened green with an organic feel, mirroring the hues of aged patinas and vintage botanical prints.

Brick (BR)

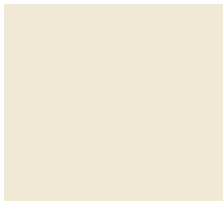

RAL 8003

A deep, rustic red-brown, echoing the tones of traditional brick facades and well-worn leather.

Charcoal (CC)

RAL 7021

A deep, almost-black tone with a soft, aged feel, reminiscent of wrought iron and heritage timberwork.

14

Boho

A Palette of Free-Spirited taste

The Boho Tones palette takes inspiration from artisanal craftsmanship, global influences, and very nature infused interiors.

It celebrates an eclectic yet balanced aesthetic, with warm, sun-washed hues that evoke earthy textures, handwoven fabrics, and vintage finds.

Ivory (YV)

RAL 1015

A soft, inviting beige with a gentle warmth, reminiscent of sunlit linen and handcrafted ceramics.

Clay (CY)

RAL 3012

A muted, warm terracotta with an earthy undertone, evoking sun-dried pottery and desert landscapes.

Copper Brown (CP)

RAL 8004

A rich, sienna-toned brown with warm orange depths, inspired by burnished metals and aged leather.

Khaki (KH)

RAL 7008

A subdued, vintage olive green with an organic edge, embodying the tones of natural dyes and woven rattan.

Fade Blue (FB)

RAL 5024

A soft, airy blue with a desaturated quality, capturing the faded beauty of sun-washed textiles.

Nut Brown (NB)

RAL 8011

A deep, grounding brown with velvety depth, evoking the richness of aged wood and natural pigments.

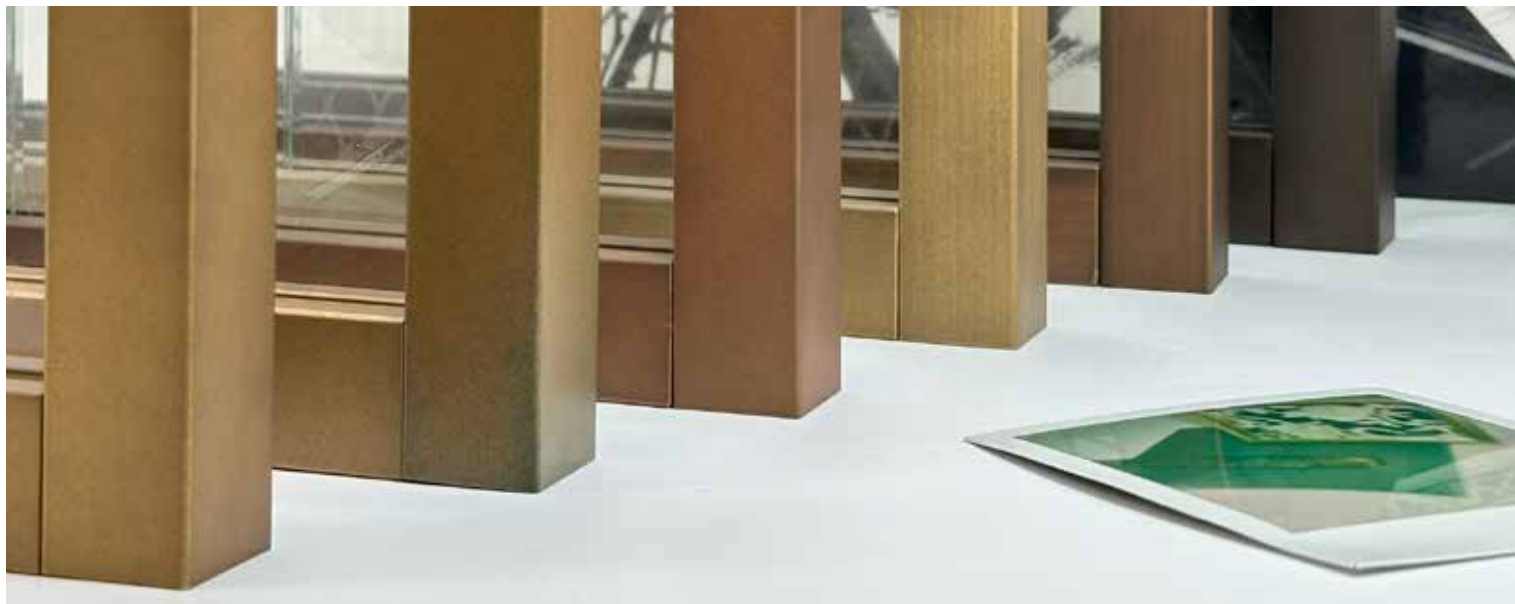

Antique

*A palette of aged character
and quiet luxury*

The Antique collection celebrates the beauty of time-worn finishes — where craftsmanship meets patina, and every surface tells a story. These colours and textures are inspired by traditional metalwork, vintage fittings, and the elegant ageing of noble materials like brass and copper.

Each finish has depth, irregularity, and warmth, giving your shower enclosure a sense of permanence and artisanal soul.

Aged Brass (GB)

A deep, golden tone with a naturally weathered finish. Rich, warm, and softly burnished — like a well-loved heirloom.

Aged Brushed Brass (AB)

A more refined take on aged metal, this softly textured brass offers brushed detail with an elegant vintage tone.

Warm Bronze (WB)

Smooth and glowing with a greenish undertone, this bronze has the quiet depth of aged sculpture and antique mirrors.

Aged Copper (GC)

A darkened, earthy copper with hints of oxidation — evoking old cookware, architectural details, and characterful metalwork.

Aged Brushed Copper (AC)

Tactile and textural, this brushed finish softens the copper's glow, delivering a beautifully understated industrial warmth.

Antique Bronze (NZ)

A smoky, dark bronze with depth and gravitas. Ideal for contrast, statement frames, or architectural drama.

In a world where glossy, polished metal still turns heads, our Metallic collection captures the enduring appeal of brushed and reflective surfaces — elevated for modern design. Made through anodising, these finishes offer a distinctive texture, subtle sheen, and impressive durability.

They're not just beautiful; they're engineered to perform.

From warm bronzes to cool chromes, each finish in this range is designed to catch the light and enrich your shower space with a premium, architectural edge.

Metallic

*Lustrous finishes.
Lasting impact.*

Brushed Brass
Anodised

(BB)

Elegant, timeless, and softly luminous. A rich yellow-gold with a brushed texture that exudes quiet luxury.

Brushed Steel
Anodised

(BS)

Sleek and industrial. A silvery, satin finish that offers clean lines and a modern, architectural look.

Light Bronze
Anodised

(LB)

Perfectly balanced between brass and copper. A warm metallic tone with soft complexity and antique charm.

Dark Bronze
Anodised

(DB)

Inspired by oil-rubbed finishes — deep, warm, and grounding. Adds sophistication and depth to any design.

Gun Metal
Anodised

(GM)

A dark, moody grey with a bronze undertone. Ideal for bold contrast, especially in monochromatic or industrial schemes.

Chrome
Anodised

(CH)

A bright, polished silver that reflects light like a mirror. Crisp, clean, and ideal for striking visual clarity.

Polished Brass
Anodised

(PB)

Opulent and unmistakable. A gleaming gold finish that brings classic glamour to contemporary spaces.

Polished Nickel
Anodised

(PN)

Understated luxury in its purest form. Cool-toned and reflective, it's a timeless finish for elegant hardware.

An abstract geometric composition featuring a dark grey triangle in the top left, a light grey triangle in the bottom left, and a white section with vertical ribbing on the right. The number '20' is in the top left, and a slogan is in the bottom left.

*Experience a world where
transparency meets privacy*

About our Glass

At DRENCH, we elevate your spaces with the finest in safety glass. Our products are crafted from toughened glass, rigorously compliant with BS EN12150-1-2015. All standard products shown in this brochure are manufactured using 8 mm Toughened Clear/Float glass as standard.

Cross Fluted, Fluted, Frosted, Grey Tinted and Bronze glass are also available with an extra surcharge. Choose from our selection of glass options, each offering a different level of privacy.

DRENCH products are treated with a special coating applied on the internal face of the shower to allow for easy clean.

Clear

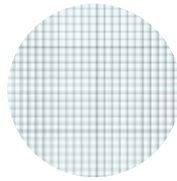

8 mm Toughened
Float glass

A timeless choice that reels both open and elegant. Available in 8 mm and 10 mm thicknesses, with an optional low-iron version for enhanced clarity. The internal face is completely smooth, making it easy to clean and maintain.

Crossed Fluted

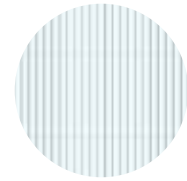

8.8 mm Toughened
Laminated

A semi-transparent design with intersecting vertical and horizontal reeds that create a grid of delicate concave squares. Stylish and impactful, this glass offers texture and visual interest while maintaining a smooth, easy-to-clean interior surface..

Fluted

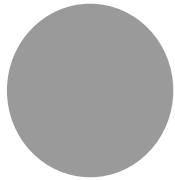

8.8 mm Toughened
Laminated

Our classic fluted glass brings a vintage-chic feel and architectural elegance to the bathroom. Vertical grooves diffuse light to enhance privacy while adding subtle texture. The inner face remains smooth for effortless cleaning.

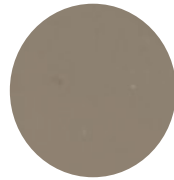

Grey Tinted

8 mm Toughened
Smoked glass

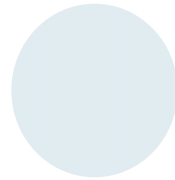

Bronze Tinted

10 mm Toughened
Smoked glass

Frosted

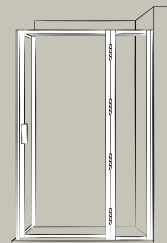

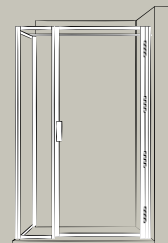

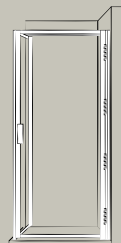

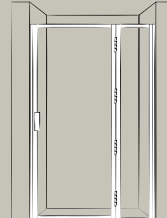

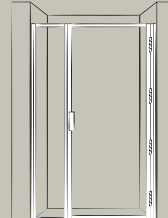

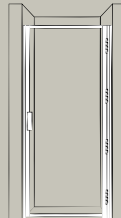

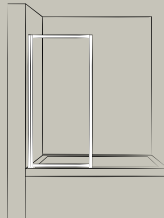

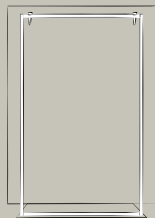

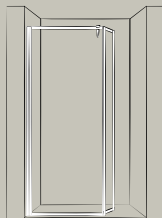

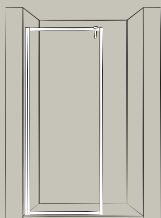

8 mm Toughened
Satin Etched

A soft, smoked grey tint adds subtle privacy and contemporary elegance to your shower screen. Smooth on the inside and visually refined, it offers both style and practicality in equal measure.

Sleek and sophisticated, this 10 mm bronze-tinted glass adds warmth and a hint of drama without compromising brightness. A perfect balance of transparency and privacy, with a smooth interior for easy cleaning.

Our most opaque option, frosted glass is satin-etched on the outside for a permanent, softly textured finish that resists fingerprints and scratches. The internal face is smooth to the touch and easy to keep clean.

Door with Inline & Return Panel

Steps to order:

1. PLEASE NOTE 2 codes are required when ordering Enclosures. One code for the door+inline (Table 1.) and the second one (Table 2 - next page) for the return panel.

2. Choose your required WIDTH for both Door+Inline and Return panel and keep the codes.

3. Choose your collection;
FRAME Lite, SUZHOU, DECO or BORDER

4. Choose your Colour or Finish option, add the two letter code and select the right price range for both codes:

Item Code	Clear Glass		Glass Option

Elevate your shower space with DRENCH Doors hinged to Inline & Enclosures.

These doors are **hinged to the Inline panel, closing into the wall/return panel.**

Choose between Right or Left-hand hinges, identified by the hinge position when viewed from the outside.

Please note doors are supplied fully assembled including handle and hinge mechanism as well as bottom seal and threshold bit to guarantee watertight installation.

Please refer to the **Adjustment Range (see page 53)** before ordering to ensure the unit fits your space.

Any dimension not listed in this table will be treated as bespoke. For pricing and lead times, contact us at sales@drenchshowers.co.uk.

At DRENCH, we're committed to ensuring your experience is hassle-free and user-friendly. Every item is meticulously crafted to include all necessary components, guaranteeing optimal performance and seamless installation.

All our products are proudly manufactured in the UK and dispatched from our premises in Hampshire, where we maintain rigorous traceability and quality control standards.

As part of our quality assurance process, we provide photographic documentation of each dispatched item, showcasing all components before final packaging.

We strongly advise checking all deliveries for damages or discrepancies within 48 hours of receipt. Each item is labelled with a unique SO number on both the front and side of the box for easy reference when contacting us for assistance.

Technical Information

Accessories & Parts

This section is dedicated to assisting you with any after-sales issues, from missing components to dimensional discrepancies.

Our team is here to support you every step of the way, please contact us on **sales@drenchshowers.co.uk**.

Support Bars & Components

All DRENCH items are supplied with the necessary support bars specified in the item description within this catalogue. For additional support bars, please refer to the individual product listings or contact us at sales@drenchshowers.co.uk.

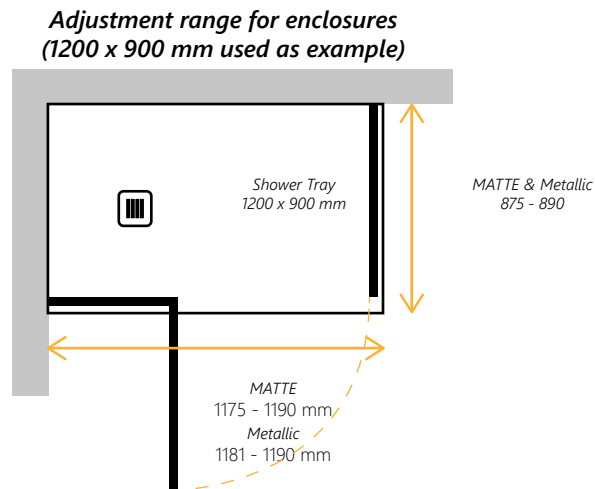

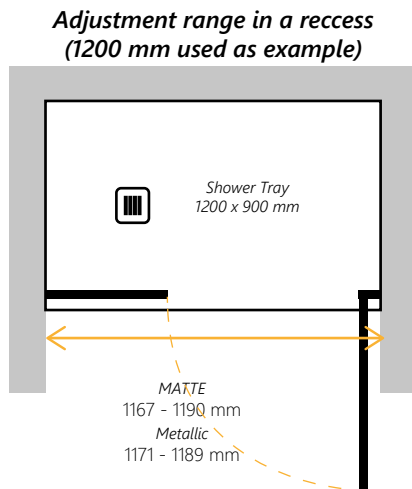

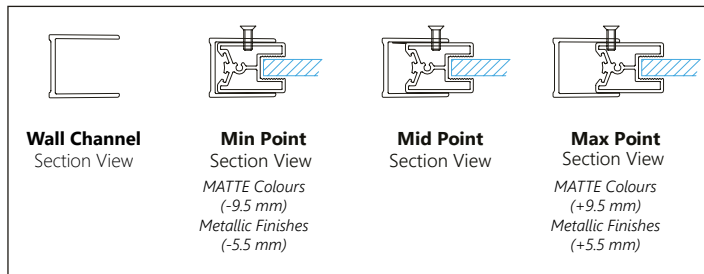

The table below outlines the compatibility of each support bar with different product configurations.

									
	Wall Fixed Panels	Wall Fixed Panels with Flipper	Free Standing Panels	Fixed Panel Combination	Single Doors & with Return	Door with Inline	Door hinged to Inline	Shower Enclosures	Bath Screens (Pivot & Fixed)
FXSBCRS Support Bar Across	✓ *For Units > 1000 mm width	✓	✓ *2 x FXSBCRS per panel	✗	✗	✗	✗	✓ *Only for Single Door + Return	✗

FXSBTBAR T Shape Support Bar	✗	✗	✗	✓	✗	✗	✗	✗	✗

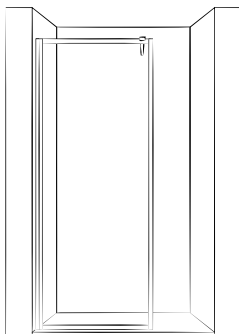

Wall Profiles & Adjustment Range

DRENCH products always include the required profiles for installation. These profiles can also be purchased separately for instances where on-site dimensions require adjustments or when multiple panels need to be joined together. Please refer to the adjustment range specified in the catalogue before placing your order.

The adjustment range gives a minimum and a maximum point as per shown on illustration on the right. The adjustment range is basically the room you have to play on site. All panels and shower doors are designed to be used with shower trays so please note our standard mid point will never reach the full shower tray dimension. See illustration below:

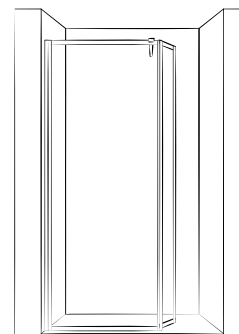

Wall Fixed Panels Adjustment Range

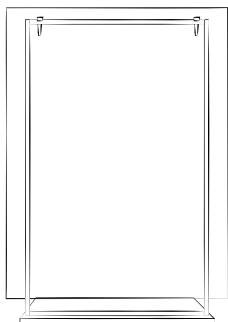

Dimension shown (in mm)	Minimum	Mid-Point (Physical size of unit in the box)	Maximum
300	275	280	290
400	375	380	390

Maintenance & Cleaning

Profiles & Aluminium Frames

The best method of cleaning is using a **mild detergent solution with warm water**. A sponge or soft cloth should be used and nothing should be harsher than natural bristle brushes.

Glass

There is an **Easy Clean coating** to the internal face of the glass only.

Please be advised that on occasions there may be mist to this face. This can be easily removed with a dry, lint free cloth. For daily cleaning we recommend to use a conventional glass cleaner and a squeegee, especially for the internal side.

INSPIRE BY DESIGN

We recommend regularly wiping your product with a lint free soft

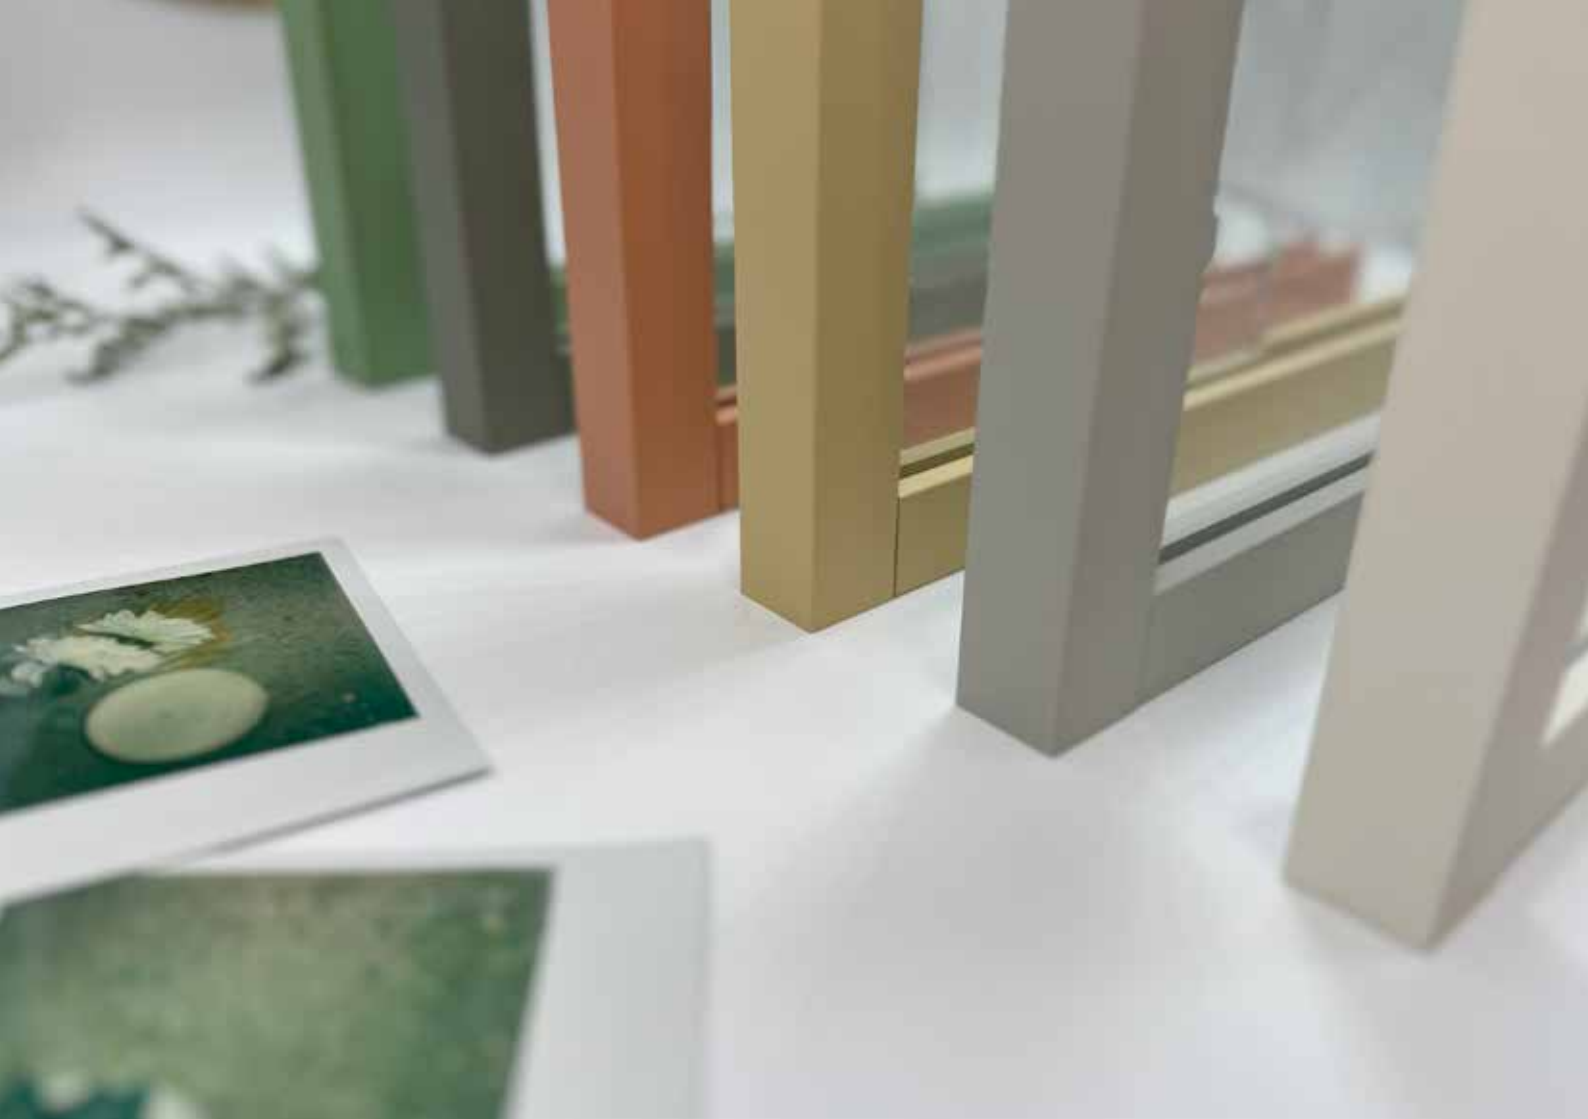

You may like to use a squeegee to remove water splash.

Should you wish to use a bathroom cleaner, it should be a mild detergent only and ensure it is rinsed with clean water.

Never use any solvents, abrasive cleaners or cloths or anything containing bleach.

Warranty Terms & Conditions

TERMS & CONDITIONS

Definitions

1. "Company" means DRENCH EUROPE LTD.
2. "Customer" means customer of the Company.
3. "Conditions" means the below conditions of sale.
4. "Contract" means any contract entered into for the sale of goods by the Company to the Customer.
5. "Goods" means any Goods the subject of any contract and shall include any part or parts of them and materials incorporated in them.
6. "Standard Items" means any item included in this pricelist with an specific description of size, colour and configuration.
7. "Bespoke" or "Made to measure items" mean any item manufactured as per customer request. Items in any specific RAL colour or a Glass option are considered "Bespoke" despite size or configuration.
8. "Carrier" the company person or persons with the object of delivering the Goods to the Customer.

TERMS & CONDITIONS OF SALE:

1. All orders are subject to these Conditions unless otherwise agreed. All goods are subject to availability. If you do not understand any of the following please email us at sales@drenchshowers.co.uk or telephone +44 (0) 2380274945.
2. These Conditions represent the entire Conditions of sale and nothing shall operate to in any way alter or vary the Conditions without the prior approval of DRENCH EUROPE LTD.
3. These conditions shall apply to all contracts to the exclusion of all other conditions express or implied by statute or otherwise to the extent as is permissible by law.
4. Acceptance of Goods by the Customer shall be conclusive evidence before any Court of Arbitrator that these Conditions apply. DRENCH EUROPE LTD reserves the right to change the Conditions without prior

3. It is very important that both installation and assembly of DRENCH products are performed by qualified professionals and according to instructions supplied. All images, specifications and advertising on our website are for the sole purpose of giving an approximate description of the goods. We advise customers to seek technical advice from qualified sources prior to ordering including any installation work that may be required.

PRICES:

All prices featured in this pricelist are Recommended Retail Prices excluding VAT. DRENCH EUROPE LTD does not accept liability for any mistake or calculation error made when drawing up a quotation.

ORDERS:

Orders may be placed via distributor, agent, sales representative or directly submitted to our Commercial Department. A written format may be required when placing an order. DRENCH EUROPE LTD do not accept orders via phone or any other means than email. DRENCH EUROPE LTD reserves the right to refuse any order. Orders are accepted on the basis the Customer has read and accepted these conditions.

CANCELLATIONS & MODIFICATIONS:

No order cancellation or modification will be accepted once the manufacturing process has started. In any event, there is a maximum period of 24 hours after receipt of order confirmation to ask for any cancellation or modification.

To exercise your right of cancellation within 24 hours you must give written notice by email giving details of goods ordered. Orders can only be cancelled once the Company confirms cancellation to the Customer.

Unless we have notification within this period, we have no claim against the courier and therefore we will not be liable for any claim made against our company. Please note that all items must be removed from the packaging and checked within the above time scale.

RETURN POLICY:

Should you wish to return any items to us, the return of the goods must be done subject to the following conditions:

1. The return of Goods will only be admitted when it has been accepted and communicated accordingly by the Company.
2. The return of Goods will only be admitted with the condition as new, in the packaging provided and all components supplied initially.
3. Bespoke and made to measure products as well as RAL colours and Glass Options are non returnable.
4. The Goods must not have been installed or attempted to be installed.
5. Customers are responsible for obtaining proof of delivery and receipt of returned goods. It is the Customer responsibility to ensure the goods reach us in good condition.

RETENTION OF TITLE:

1. The goods shall be at the Buyer's risk as from delivery. 1.2 In spite of delivery having been made, property of the Goods shall not pass from the Seller until:
1.2.1 the buyer shall have paid the Price in full; and
1.2.2 no other sums of any kind shall be due from the buyer to the seller.

PAYMENT CONDITIONS:

Payments can be made by BACS transfer according to sales terms agreed. In the event of outstanding payments, the Company will not dispatch any goods.
