Our Story

GREAT BRITISH HERITAGE

Appropriately founded in the home of bathing, Roper Rhodes was established in 1979 in the beautiful city of Bath, which we still call our home today. It's been over 40 years since then where we have grown and changed along with the city. Furthermore our passion for design, ingenuity and creativity has never been stronger.

Our products are made with consideration as well as stringently tested to ensure uncompromising performance and durability. Such is the confidence in our designs that our ranges are covered by extensive guarantees for your peace of mind. For example you can relax knowing you will receive a 20 year guarantee against defects in manufacture on sanitaryware and 10 years on our furniture.

We have a rich history but are also obsessed with product development; constantly innovating, with each new product launch seen as an opportunity to improve the lives of our customers. We work on the basis that every aspect of the life of our products must be considered, challenged and designed to be better. This approach has resulted in us having a market leading product innovation vitality score.

Our People

GREAT BRITISH DESIGN

For over forty years, we at Roper Rhodes have striven for bathroom perfection. Our dedicated team has grown from just one man to a group of people obsessed with all the little details that go into making your dream bathroom.

At every step of the way the customer is at the forefront of our minds. Starting with our product designers, who are always in search of how they can improve the bathroom experience. Push-button showers and contactless flushing are just some of the innovations to come from our team of designers.

Once a product has been made, it finds itself within our impressive 200,000 Sq ft Distribution Centre on the outskirts of Bristol. Here we run a twenty-four-hour operation to guarantee you the best delivery and service we can.

We believe that beautiful bathrooms come from our people, who's inspiration and dedication have made Roper Rhodes what it is today.

GET THE FLUTED LOOK *with Zoe Jones*

BE INSPIRED

Our in-house stylist Zoe gives you her tips on how to achieve the fluted style in your bathroom.

Whether through glass, tile, or furniture, textured surfaces lend depth and sophistication to a room. For this look, we paired our white fluted Scheme furniture with a black round countertop basin and a statement Link mirror to create a contrast of colour and shape. The result is quiet luxury at its finest.

@roperrhodes

‘Create points of interest in your bathroom by offsetting fluted surfaces with sleek brassware, hardware, and accessories.’

STYLING

Define your unique Scheme bathroom

IN FIVE SIMPLE STEPS

Our Scheme range offers complete flexibility, you can tailor your choice to fit your needs exactly. Choose your unit size, create a style statement by selecting from different basin options, an array of on trend finishes & coordinating handles. Complete your Scheme bathroom with a choice of optional extras. For further inspiration for potential bathroom layouts, designs and configurations see pages 72-85.

01

THE PERFECT UNIT STYLE & SIZE

Choose from our slab or fluted style units. Consider your bathroom space. If you have a larger room you can combine two 600 wide units with a worktop and countertop basins to make a spectacular focal point. If your bathroom is smaller – out 500 or 600 units are the ideal solution

SLAB - Choose from 500, 600, 800, 1000, 1200 or a compact cloakroom unit

FLUTED
Choose from 600, 800 units

YOUR FINISH OPTIONS

With a choice of seven contemporary finishes you can match or contrast to anything for your new bathroom design. The colour palette offers a full spectrum of on-trend neutral painted colours in matt and glossy options.

03 CHOOSE YOUR BASIN STYLE

To define the overall style of your unit, next choose your preferred bathroom basin. With a wealth of options there is sure to be something to meet your requirements. Choose from a sleek full width ceramic

basin, a modern, premium hotel inspired Isocast basin with practical workspace on either side, or choose a counter top basin with worktop design. For the full range of Scheme basins options see page 84.

COMPLETE THE LOOK OF YOUR UNIT

Add the perfect finishing touch to your unit with one of our stylish handles, available in a host of shapes, sizes and finishes, including chrome, brass, matt black and colour matched handles. Fluted furniture can only be used with one handle style see page 82 for full details.

1000/1200 DOUBLE UNIT LOOK

The flexibility of our Scheme furniture range allows for the pairing of 2x 500mm units or 2x 600mm units with a bianco marble or arctic white worktop to create a 1000mm or 1200mm unit. This can then be used with one or two countertop basins.

Simply order x2 scheme units (see page 82-83 for codes) and pair with the relevant worktop and support kit below

Unique Furniture

SYSTEM

Cool yet elegantly styled, System offers complete flexibility to tailor your space

Define your unique System bathroom

IN FIVE SIMPLE STEPS

Our System range offers complete flexibility. You can tailor your choice to fit your needs exactly. Choose your unit size, create a style statement by selecting from different basin options, an array of on trend finishes & coordinating handles. Complete your System bathroom with a choice of optional extras. For further inspiration for potential bathroom layouts, designs and configurations see pages 90-99

THE PERFECT UNIT SIZE

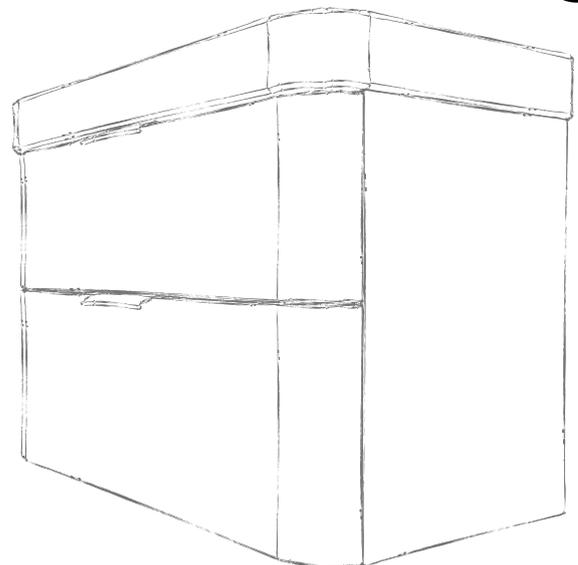

Firstly assess your bathroom space and choose the basin unit size to best suit. There are wall mounted options in 500, 600 or 800 widths, with two soft close drawers providing practical, accessible under-basin storage. There is also a compact cloakroom unit option.

YOUR FINISH OPTIONS

A choice of seven contemporary finishes for System means that you can match or contrast to anything in your bathroom design. The colour palette has been chosen to give a full spectrum of on-trend neutral painted colours in matt and glossy options.

02

03

CHOOSE YOUR BASIN STYLE

Next you should select your basin preference. This will really change the overall style of your unit. The System range has a wealth of options, there is sure to be something to meet your requirements. Choose from a

sleek full width ceramic basin, a modern, premium hotel inspired Isocast basin with practical workspace on either side, or choose a counter top basin with worktop design. For the full range of Scheme basins options see page 97.

04

COMPLETE THE LOOK OF YOUR UNIT

Add the perfect finishing touch to your unit with one of our stylish handles, available in a host of shapes, sizes and finishes, including chrome, brass, matt black and colour matched handles.

05

LIGHTING

Find everything you need in your drawers with the movement-activated, battery-operated light. Easy to remove for charging via USB, see page 98

MIRRORS & CABINETS

Choose an illuminated mirror, or for some additional storage space add an over basin cabinet, see page 98

STORAGE

Add a storage column to your bathroom layout to give lots of additional useful storage space, see page 98

DRAWER BOXES

De-clutter your bathroom by adding additional storage boxes to your unit. Available as a set of two, see page 98

Unique Furniture

SYSTEM

System is a flexible range of furniture with a wealth of possibilities; every detail can be tweaked to perfectly suit your space & style. With its softly rounded corners & smooth lines, System will turn the daily routine into a pleasurable experience. With a wide selection of unit sizes, basins, stunning furniture finishes & handle options, this is modern design at its best.

- Smooth, curved unit design
- Your choice of finish, basin and handles to personalise your unit
- Coordinating mirrors and cabinets available

SYSTEM - BASIN OPTIONS

The polished, minimal form of our basin designs work perfectly when combined with System furniture. Choose from sleek, single-mould isocast or classic ceramic in a range of sizes to suit your System basin unit. Or go bold with one of our stylish countertop basin options, for a truly unique look.

- Smooth, ceramic System basins designed to perfectly match your furniture
- Isocast basins inspired by high end premium hotels provide a slimmer look and useful extra surface space in the bathroom
- Countertop basins make a statement to create a true centrepiece in the bathroom

Unique Furniture

SYSTEM - MIRRORS, CABINETS & LIGHTING

Coordinate your bathroom look by opting for one of our specifically designed System mirrors or cabinets. Available in a range of sizes to match flawlessly, with curved corners throughout. All are available with adjustable warm to cool lighting, helping you set the perfect mood whenever.

Unique Furniture

SYSTEM - STORAGE

For some much-needed extra organisation, opt for a set of our solid beech storage boxes; designed to perfectly fit within your furniture and help you keep everything in place. For even more storage we have wall cupboards, ideal for tucking things away and available in finishes to match your furniture unit.

Modern Furniture

PURSUIT

A versatile range in contemporary finishes to add a designer edge to your bathroom.

Modern Furniture

PURSUIT

The contemporary textured finishes lend it a truly sophisticated edge, choose from alpine elm or matt carbon or opt for smooth gloss white and gloss grey. Pursuit is extremely flexible too – choose the 600mm basin unit or use two 600mm units side by side, united by a long solid surface worktop to create a luxurious statement piece.

- Your choice of basin to customise your look
- Spacious internal drawers in a beech finish
- Additional beech storage drawer dividers are available to keep you organised
- Sleek, integrated chrome handle

FITTED FURNITURE

Explore our fitted furniture

COLLECTION

Fitted bathrooms are custom-designed to make the most efficient use of available space. By utilising every nook and cranny, fitted furniture can provide ample storage and maximise functionality, particularly in smaller bathrooms.

Designed to seamlessly integrate with the overall aesthetic of your bathroom. Fitted furniture offers a cohesive and uniform look, as the units are fitted against walls and often provide concealed storage, hiding pipework and creating a neat appearance.

The furniture is highly customisable to suit your specific needs and preferences. You can select the materials, finishes, and configurations to create a personalised space that perfectly matches your style and requirements.

Roper Rhodes Fitted Furniture

DESIGNED BY US. TAILORED BY YOU.

GUARANTEE
10 year guarantee on
all fitted furniture

Fitted furniture is all about taking the space you have and making it reach its full potential. Unrestricted and completely customisable, fitted furniture gives you the flexibility & storage you need, with the style you love. Fitted furniture is great for going between walls to maximise storage and hide any pipework and services

Whether you live in a Victorian townhouse, an ultra-modern apartment, or something a little more unusual, our boundless combinations of fitted furniture styling options give you the ability to create a bathroom that feels uniquely and effortlessly 'you'.

WIDE CHOICE OF UNITS

Choose from a range of floor units, wall cupboards and full height 2 door unit, all available to help create your perfect bathroom look.

IDEAL FOR LARGE & SMALL SPACES

Consider the available space in your bathroom and choose from either standard depth (353mm) or space-saving slim depth (218mm) units.

BATHTUBS

Explore our bathtub

COLLECTION

Our signature bathing collection embodies our legacy of design and time-honoured craftsmanship. Individually produced for quality and consistency, each of our baths marry beauty and utility to elevate the everyday bathing experience. From the quintessential lion foot to sleek, contemporary styles, the bathing collection features era spanning designs to suit any bathroom scheme.

Choose from freestanding tubs, single or doubled-ended styles, showering baths and back-to-wall options for complete design flexibility.

Discover Roper Rhodes Bathtubs

DESIGNED IN THE HOME OF BATHING

TRADITIONAL BATHTUBS

Step back in time with our striking collection of traditional freestanding baths. Our range includes styles from the classic clawfoot to the mid-century boat bath in a wide range of sizes to suit bathrooms both small and spacious. With a choice of proprietary traditional accessories available to complete the look.

CONTEMPORARY BATHTUBS

Sleek, simple and streamlined, our collection of modern baths are ideal for the contemporary family bathroom. Available in a range of sizes, the bathing collection features oval, curved and square bath styles to suit a wide range of tastes. Pair with our wide selection of modern brassware and bath accessory styles.

10 YEAR GUARANTEE

We believe good design stands the test of time. Our bathtubs are all guaranteed for ten years, giving you peace of mind now and for the future.

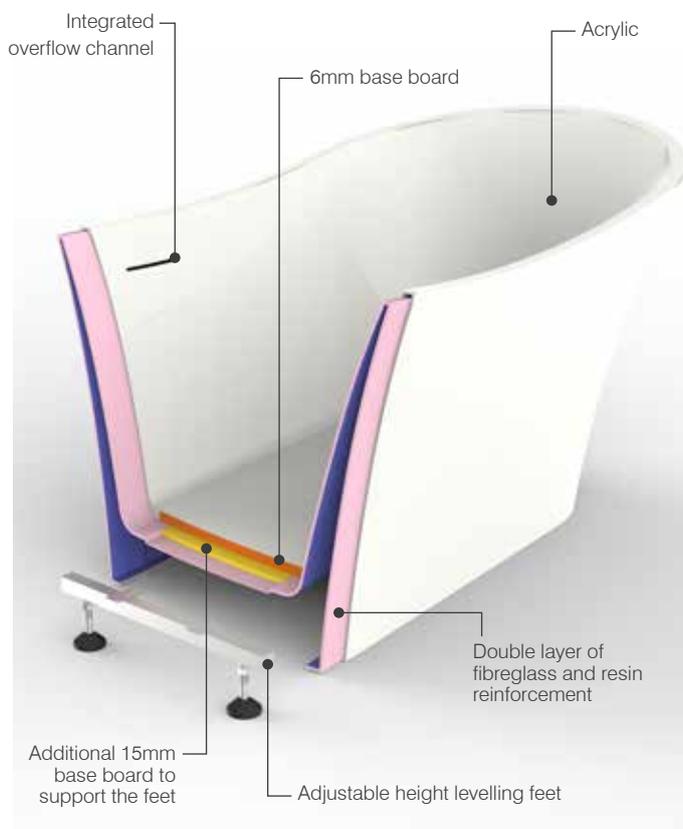

QUALITY PRODUCTS

Purposeful design is evident in everything we do. Individually made and stringently tested, each bath and bathing accessory in our collection represents the highest levels of quality and forty years of design expertise.

A CLOSER LOOK

All Roper Rhodes baths are built with a dual skinned acrylic body and reinforced with multiple layers of resin fibre to provide superior strength and heat retention.

BATHTUB MATERIALS

Our acrylic tubs offer several additional benefits. The double layer of acrylic and the middle reinforcement layer provide better insulation, ensuring water stays warm for longer. More robust and long-lasting, dual layered baths are resistant to flexing and deforming under pressure. A smoother, glossier finish allows for ease of cleaning, while a deeper pigment and improved colour consistency prevent discolouration over time.

P TRAPS

An essential part of a bathtubs plumbing system, our high quality P-traps ensure safe and efficient drainage while also coordinating with your chosen brassware. Constructed in robust brass and expertly plated.

- This connects to either the click waste or the chain waste depending upon your choice.
- The opposing end of the trap connects to the drain pipe.

Available in two finishes

BAA112	Chrome	£66.80
BAA113	Brushed Brass	£97.70

EXPOSED DRAIN PIPES

When used with a P-trap, our exposed drain pipes provide efficient and functional draining from your bathtub. Available in two finishes, this component can be cut to the required length.

- This 40mm pipe connects to P-trap and then to the waste pipe to drain the water away whilst keeping the finish of the rest of the accessories.
- It comes with a shroud to cover the exit point to the wall or floor.
- The pipe is cut down by the fitter to the required length.

Available in two finishes

BAA114	Chrome	£118.50
BAA115	Brushed Brass	£216.00

BATHTUB SHROUDS

Functional and aesthetic, standpipes and shrouds conceal unsightly pipework while supporting your bath filler or bath/shower mixer. Available in a high shine chrome and brushed brass finish.

ROPER RHODES BASINS & WCs

WC & BASIN SOLUTIONS FOR ALL SPACES

Our basins and WC collections offer a breadth of solutions for all bathroom sizes, no matter how big or small. Covering both modern, contemporary and timeless classics, there is a solution for all styles. Delve in and explore for yourself...

MATT OR GLOSS FINISH OPTIONS

Our sanitaryware collections are specially glazed to create either a high gloss or a smooth matt finish. Equally hygienic and easy to clean, our new matt white WCs and seats are ideal for contemporary bathrooms and pair especially well with our matt brassware options.

RIMLESS TECHNOLOGY

Our rimless technology makes our WCs hygienic and exceptionally easy to clean. A simple wipe of the rim means there is nowhere germs can hide. Water is projected around the bowl to ensure it is completely clean.

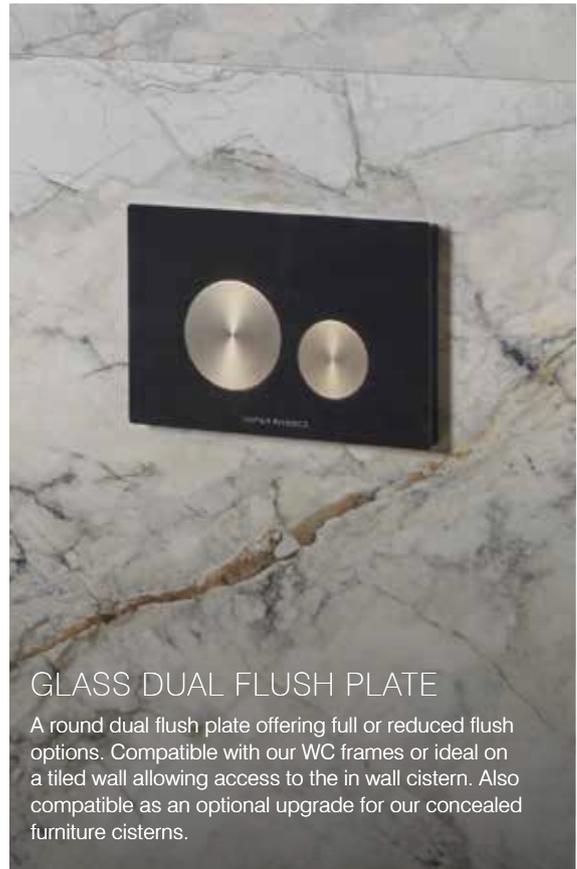

AIR GAP TECHNOLOGY

All Roper Rhodes closed coupled WC cisterns are now supplied with air gap technology, they also benefit for a WRAS approved inlet and flush valves, and have a built in silencer to reduce water fill noise levels.

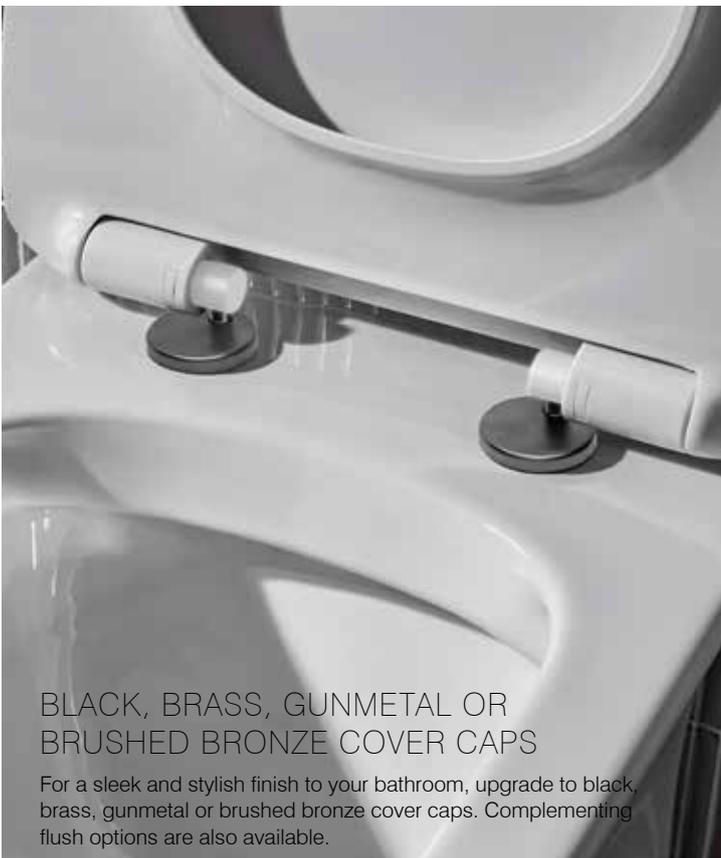

CONTACTLESS FLUSHING SOLUTIONS

Our close coupled sensor flush kits offer a hygienic and contactless solution with a simple wave of the hand. The kit can also be retro-fitted to existing WCs. For further details see p172.

GLASS DUAL FLUSH PLATE

A round dual flush plate offering full or reduced flush options. Compatible with our WC frames or ideal on a tiled wall allowing access to the in wall cistern. Also compatible as an optional upgrade for our concealed furniture cisterns.

BLACK, BRASS, GUNMETAL OR BRUSHED BRONZE COVER CAPS

For a sleek and stylish finish to your bathroom, upgrade to black, brass, gunmetal or brushed bronze cover caps. Complementary flush options are also available.

20 YEAR GUARANTEE

At Roper Rhodes, we pride ourselves in offering high quality products that are built to last, even in the hectic and high traffic space that is the bathroom. That's why all of our basins and WC's benefit from a 20 year guarantee. We provide a 10 year guarantee on seats and 5 years on cistern fittings.

UNDERSTANDING YOUR SHOWERING OPTIONS

EXPOSED SHOWER VALVES

Bring the charm of traditional brassware into your home. Our timeless collection of surface mounted showers pair the period style you love with our tried and tested engineering, giving you that vintage feel with the comfort that your shower will last for years to come.

BAR SHOWERS

Occupying slightly less area than traditional exposed valves, bar valves are an economical choice that are ideal for compact shower spaces. Exceptionally easy to install and maintain, our collection of bar style mixer shower valves are available with a classic single function handset, or as a dual function system with a rainfall effect showerhead. Available in smooth, round or sleek square designs.

PUSH BUTTON SHOWER VALVES

Making the everyday task luxurious. Swiss engineering combines with intelligent push button technology to offer you effortlessly luxurious showering, all at the touch of a button. Available in an expansive range of styles and configurations.

CONCEALED SHOWER VALVES

Our concealed thermostatic shower valves offer single, dual or triple function, all in one easy to control system. Single function allows you to choose your perfect temperature level, dual function allows you to seamlessly switch between handset and overhead showers, whilst triple function adds our smart flow bath filler. Both include a specific handle to control the temperature, meaning you can choose your perfect level and leave it for the next time you shower.

10 YEAR GUARANTEE

All Roper Rhodes shower systems come complete with a 10 year guarantee, including the thermostatic cartridge.

CREATE YOUR OWN SHOWER

If our shower packages don't suit your requirements then you can design your own shower to meet your own specific needs & style. The guide in this section will help you select the right thermostatic valve for the job. Then browse the following few pages to select from the different shower components available & build a shower which is bespoke to you.

Make it unique

CREATING YOUR OWN SHOWER

CHOOSE HOW MANY FUNCTIONS YOU REQUIRE

How many functions would you like your shower to control?
Our selection of valves give the option to choose from single, dual and triple function controls, see pages 212-225

SINGLE OUTLET

for single function valves to control a fixed head, handset or bath filler

DUAL OUTLETS

delivering water to two separate outlets for dual function valves to control two outlets, see options opposite

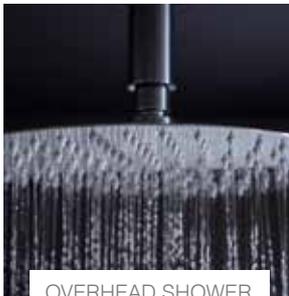

TRIPLE OUTLETS

delivering water to three separate outlets for triple function valves to control three outlets, see options opposite

OUTLET OPTIONS FOR SHOWER VALVES

Once you have decided whether you want a single, dual or triple function shower valve (p212-225), next you need to decide what outlets you would like your system to control. Choose from the selection above, all of which are available from Roper Rhodes, see pages 250-259 for all available options.

The finishing touch

BATH FILLERS

With a Smartflow bath filler, water runs into your bath through the filler rather than a traditional bath mixer tap. Mounted on the inside of the bath, the Smartflow acts as a combined filler and overflow and comes with a click waste. It can be used with a manual mixer valve as a simple bath filler, or connect it to a diverter valve to control both bath and shower outlets.

ROPER RHODES TOILET SEATS

QUICK RELEASE HINGES

Easy to operate quick release hinges are featured on some toilet seats, allowing the seat to be lifted away easily, leaving clear access to clean otherwise hard to reach surfaces.

Secure-Fix QR

SECURE-FIX QR

Adjustable hinge technology that simplifies the installation of quick release seats and keeps the seat firmly in place.

QUICK RELEASE

Allows the seat to be lifted away easily, leaving clear access to clean otherwise hard to reach surfaces.

TOP FIX HINGES

Some seats feature a special 'top fix' hinge allowing them to be quickly and easily installed on modern WC pans.

ANTI-BACTERIAL PROTECTION

An environmentally friendly built-in additive provides a hygienic finish to a number of our toilet seats and protects against bacteria, fungi and microbes.

SOFT CLOSE HINGES

The hydraulic hinge mechanism ensures controlled and quiet closure of the seat lid and ring. Mechanisms are extensively tested to ensure long life.

GUARANTEES

All our solid wood toilet seats are made using the finest timber from sustainable sources and benefit from a 2 year guarantee against seat breakages. Our thermoset and MDF toilet seats include either a 5 or 10 year guarantee against seat breakages.

GUARANTEES

Many of our products carry lengthy guarantees. Our furniture, showers and taps carry 10 year guarantees whilst our seats either have a 2 or 10 year guarantee. Our lighting offers 3 years for manufacturing defects and 2 years on consumables like the bulbs and switches. Please see individual product sections for details. Guarantees are for domestic use only and are not transferable.

REPLACEMENT PARTS

We carry extensive stocks of replacement parts and are normally able to dispatch spares within 24 hours of your request. Damaged parts will be replaced with a spare part where possible, complete exchanges will only be made where it is not practical to do so.

PRICING

All prices quoted are inclusive of Value Added Tax, which will be charged at the rate applicable on the date your product is dispatched. The prices charged will be those ruling at the date of dispatch and Roper Rhodes cannot be held responsible for any errors or omissions in this brochure.

PRODUCT SPECIFICATION

Roper Rhodes furniture is designed for use within domestic installations which are adequately ventilated and is not suitable for installation in wet rooms. As with any timber product, bathroom furniture will be adversely affected if it is subjected to excessive moisture. It is strongly recommended that adequate bathroom extractor fans are installed to prevent heavy condensation and all splashes and spillages must be mopped dry as soon as possible. All exposed or cut surfaces must be sealed with a suitable varnish or silicone sealant to prevent blowing. If this is not done, all warranty claims will be void. In particular, silicone sealant must be used around basin and worktop joints and around all edges of bath panels and plinths. All electrical products should be installed by an approved electrician in line with current wiring regulations.

Roper Rhodes Ltd reserves the right to amend the specification of its products at any time if an opportunity to improve the product occurs. All dimensions are approximate and are quoted within reasonable tolerances.

The furniture colours shown in this brochure are representative only and can be affected by a multitude of factors such as lighting and surrounding items.

Products with a brass finish may not match exactly due to variations in the brass alloy composition, differences in finishing techniques, natural aging processes causing patina and the lighting they are compared in. Imagery shown in this brochure are representative only.
